ABOUT CHPC

THE STATE CREATED THE CALIFORNIA HOUSING PARTNERSHIP NEARLY 30 YEARS AGO AS A PRIVATE NONPROFIT ORGANIZATION WITH A PUBLIC MISSION: TO MONITOR, PROTECT, AND AUGMENT THE SUPPLY OF HOMES AFFORDABLE TO LOWER-INCOME CALIFORNIANS AND TO PROVIDE LEADERSHIP ON AFFORDABLE HOUSING FINANCE AND POLICY. SINCE 1988, THE CALIFORNIA HOUSING PARTNERSHIP HAS ASSISTED NONPROFIT AND LOCAL GOVERNMENT HOUSING AGENCIES ACROSS THE STATE TO LEVERAGE MORE THAN $14 BILLION IN PRIVATE AND PUBLIC FINANCING TO CREATE AND PRESERVE 70,000 AFFORDABLE HOMES.
The California Housing Partnership calls on state leaders to take the following actions to provide relief to low-income families struggling with the high cost of housing:

» Immediately invest $1 billion of the state’s budget surplus to finance the development of permanently affordable rental housing and another $1 billion for supportive housing for the homeless.

» Bring back redevelopment funding for affordable housing and related infrastructure at an initial amount of $1 billion annually.

» Aggressively campaign for the passage of the $4 billion Veterans and Affordable Housing Bond of 2018.

» Reduce the threshold for voter approval of local funding of affordable housing and infrastructure from 67% to 55%.

LOCAL RECOMMENDATIONS FOR SANTA CLARA COUNTY

» Set aside a minimum 15% of homes in new residential developments to be affordable to very low and low-income families in exchange for entitlement concessions and incentives.

» Adopt new funding measures for affordable housing, including commercial linkage fees.

» Adopt mixed use, mixed-income area plans with a 20% affordable housing target.

» Require a minimum of 20% affordability for new homes developed on publicly owned sites.

» Explore and implement policies that encourage the successful siting of permanent supportive housing and homes for unhoused people and families.

» Incentivize the development of Accessory Dwelling Units and other innovative measures that create privately owned, unregulated affordable housing.

» Adopt General Plan policies that remove impediments to housing development.
