ABOUT CHPC

THE STATE CREATED THE CALIFORNIA HOUSING PARTNERSHIP NEARLY 30 YEARS AGO AS A PRIVATE NONPROFIT ORGANIZATION WITH A PUBLIC MISSION: TO MONITOR, PROTECT, AND AUGMENT THE SUPPLY OF HOMES AFFORDABLE TO LOWER-INCOME CALIFORNIANS AND TO PROVIDE LEADERSHIP ON AFFORDABLE HOUSING FINANCE AND POLICY. SINCE 1988, THE CALIFORNIA HOUSING PARTNERSHIP HAS ASSISTED NONPROFIT AND LOCAL GOVERNMENT HOUSING AGENCIES ACROSS THE STATE TO LEVERAGE MORE THAN $14 BILLION IN PRIVATE AND PUBLIC FINANCING TO CREATE AND PRESERVE 70,000 AFFORDABLE HOMES.
**STATEWIDE POLICY RECOMMENDATIONS**

The California Housing Partnership calls on state leaders to take the following actions to provide relief to low-income families struggling with the high cost of housing:

» Immediately invest $1 billion of the state’s budget surplus to finance the development of permanently affordable rental housing and another $1 billion for supportive housing for the homeless.

» Bring back redevelopment funding for affordable housing and related infrastructure at an initial amount of $1 billion annually.

» Aggressively campaign for the passage of the $4 billion Veterans and Affordable Housing Bond of 2018.

» Reduce the threshold for voter approval of local funding of affordable housing and infrastructure from 67% to 55%.

**LOCAL RECOMMENDATIONS FOR RIVERSIDE COUNTY**

» Identify and take advantage of all opportunities to create affordable housing as a priority use on vacant and underutilized publicly-owned sites suitable for residential and mixed-use development.

» Provide infrastructure improvements to facilitate new and infill-residential development and to improve the quality of life in low-income communities with priority given to sites providing the most affordable housing where developers are also leveraging federal and state funding.

» Dedicate all or a significant portion of former redevelopment “boomerang” funds for affordable housing purposes.

» Explore implementing a countywide fee on short term rentals that are taking critical affordable housing out of circulation.

» Help local elected officials learn more about what affordable housing is as well as the economic and other benefits its construction and preservation bring to local communities.
